

**ENDS OUIJA SALE:
GHOSTS GET REST****Policeman Interrupts Spirit
World Communication.**

Communication with the spirit world was interrupted yesterday by a materialistic policeman in lower Broadway when he took a vendor of ouija boards to Tombs court to explain why he wasn't licensed.

The dealer in "soul stuff" made the plea that he didn't know a ouija board dealer had to take out a license. He thought it was all right to interest folks in the beyond and open to them a means of getting the inside dope on subsequent and eventual regions without other preliminary.

Magistrate Charles E. Simms said he could tell without looking that it was in the statutes that ouija are not exempted from the same prosaic rules that govern rag dealers and junk men, and instructed the defendant to pay a fine of \$5.

The ouija seller stood by his art, however, and accepted the alternative of going to jail for three days. His said he was Joseph Bierman of 1638 Fox street, The Bronx.

"BIG-BANG"
SAFETY CANNON**

Safe and Sane

No Matches
No Powder
No Danger

Harmless as a Pop-Gun

"BIG-BANG" is all the glamour, the flash and the boom that appeals so strongly to the heart of the boy with the absolute safety demanded by the most exacting parent. Used in the house or anywhere in Military Games, Celebrating and Saluting.

SAFE AND SANE—An overcharge means only a smaller report. Even a lighted match will not ignite the flares in the ammunition case. The cannon will neither set fire to house paper nor burn the skin.

OUT OF OPERATION—very little. The cannon may be fired 100 times for a few cents. Open the breech—fill the charging measure from the ammunition case—slam the breech shut—touch the lighter—it's off with a "BIG-BANG!"

Order It Today—If your dealer cannot supply you, send Money Order or Check and a "BIG-BANG" cannon with a supply of Bangite (ammunition) will be sent to you prepaid in U. S. A. together with complete descriptive matter and directions.

BE PRETTY! TURN

GRAY HAIR DARK

Try Grandmother's Old

Favorite Recipe of

Sage Tea and

Sulphur.

Almost every one knows that Sage

Tea and Sulphur, properly compound-

ed, brings back the natural color and

lustre to the hair, when faded, streaked

or gray. Years ago the only way to

get this mixture was to make it at

home, which is messy and trouble-

somes. Nowadays, by asking at any

drug store for "Wyneth's Sage and Sul-

phur Compound," you will get a large

bottle of this famous old recipe. Im-

proved by the addition of other ingre-

dients, at a small cost.

Don't worry gray! Try it! No one

can possibly tell that you darkened

your hair, as it does it so naturally

and evenly. You dampen a sponge or

soft brush with it and draw this

through your hair, taking one small

strand at a time, by morning the gray

hair disappears, and after another

application or two, your hair becomes

beautifully dark, glossy and attractive.
